General Counsel
Mr. Lawrence R. Houston
Contract

Attached is final draft, initialed by me, of the contract we discussed. I believe it is now in satisfactory form. It is my understanding that this contract will be made effective and the subject will begin training before the security check is completed. There is no objection to this procedure, provided no payments under this contract will be made prior to a favorable security report and provided further that you inform subject that if an unfavorable security report is given, no payments whatsoever will be made. Under these conditions, I believe an extra copy of this transmittal memo should be given to [REDACTED] for his information and I attach such a copy with the request that you pass it on to [REDACTED] unless you have objections to such a procedure. Of course, in the event of a favorable security report, payment will be made back to the effective date of the contract.
